Suggestions for Improvement:	
Do you believe this practicum student has the knowledge, skills, and attitude required to become an effective student teacher?	Yes
If you answered NO to the question above, please list the knowledge, skills, or attitudes this student must improve to become an effective teacher.	
General Comments:	Miss Kaila has done a wonderful job getting to know the students in my class. She had no problem getting involved on day one-even asking what she could do to help me. The first morning in our room she was sitting on the floor at their level while we were working. Miss Kaila is flexible and willing to jump into activities! She's made a great connection with our kids and is very confident!
